Recommended Reading List
Year 4

This list is intended to be a guide to books suitable for children in Year 4. The list, covering a range of genres, is drawn from a number of sources including teachers own recommendations; the National Literacy Strategy's recommended texts; reading lists suggested by other schools and the National Literacy Trust's website. Some of the texts are more difficult to read than others and care should be taken when choosing those which your child might enjoy. Please discuss the books your child reads with him/her and remember that it is important to continue to read stories to your child as he/she moves through the junior school.
