**Deanery Mass**

**“Be Who God Created You To Be “**

This will be on **Tuesday 26<sup>th</sup> February, 7.00 p.m.**  
**at Sacred Heart Church, Rochdale.**

This Mass is to help the young seek and  
celebrate the “Hope in the Future” that they will  
carry through their faith in Jesus Christ.

The Mass will be attended by pupils and their  
families across our Deanery and I hope that  
Sacred Heart RC Primary will be very well  
represented.

The Mass will not be overly long and afterwards,  
there will be refreshments and stalls in the  
Parish Centre.

**Science Ambassadors**

Science Ambassadors are people who enjoy learning about  
science and help others to learn about science too.

This can be through helping staff to create interesting and  
engaging science displays, organising science fairs and taking  
part in special science assemblies or even helping with science  
lessons in other classes. This is a new role within school which  
we hope to develop further to help raise the profile of science

**Nursery and Reception**

Parents / Carers are now welcome every morning  
with the exception of Fridays due to whole school  
assemblies to join their children in the provision  
from 8.45—9.00am.

## PE / Sports

Our Monday handball session have been proving a success and the children are progressing well. Year 6 are continuing to develop their knowledge and skills of Lacrosse in the Wednesday sessions. This weekend will be the Greater Manchester Cross Country competition with a number of our children, who have qualified, representing both our school and our town.

### National Story Telling Week

In preparation for National Story telling week (26 Jan - 2 Feb 2019) , some of our children were filmed by the Local Authority reading extracts from some of our favourite books.

### Tootoot

Next Tuesday **5th February is Internet Safety Day** and the children will take part in activities to help them to know how to stay safe on-line.

As part of the day, we will re-launch Tootoot which is a confidential website where children can report any issues causing them concern directly to a member of school staff.

For more information about on-line safety please visit the school's website under our Safeguarding Tab.

### CHAPLAINS' NEWS

Over the last few weeks we have been organising the resources for teachers to use during their collective worship. This is then being used to create a poster for teachers describing a focal point, the purpose of it, what should be included and ideas for good focus points across the different key stage groups.

### Christian Calling

#### THE CALL

I hear a call.

It was mighty but small.

Coming from North or West or East or South

Constantly repeated by an unending mouth.

Everyday louder and louder, Nagging for a step to be made.

Yet I ignored it, Whipping it out of my mind like a maid.

But it always comes back And my mind is like a stack Of Calls.

Tonight I heard a Call. A shuddering of a door,

Said by someone tall. As if from Heaven it came

And I was given a name. A follower of God I've been made

And now I can't imagine How afraid I have been

Yet now, once I've seen

I know there's nothing to worry about.

I help others to shout out loud In who they believe
