

Love God, Love each other, Love Learning

Dear Parents of Year 1 Pupils,

As a school in the Diocese of Salford, we have access to the services of Caritas Diocese of Salford. Among the services offered by Caritas is the School Service. They work in our school on our behalf and provide Social Work and Counselling services to children, young people and families to help with any difficulties they may be experiencing. This service should not be confused with Local Authority Social Work support or intervention - it is completely voluntary.

We are working with Caritas to set up some groups in school for the children. The focus of these groups will be based on forming positive relationships with children and adults. The sessions form part of our Personal, Social and Health Education Curriculum (PSHE) and are all taught in a fun and engaging way.

Please indicate below if you agree to your child attending this group in school. Please could you also complete the complete the consent form below. Please note **your child cannot take part in the lessons without this completed form.**

Yours sincerely,

Mrs P Dungworth

Headteacher
