Dear Parents

School Opening Update

You will have heard the recent news that schools may be opening to children in certain year groups from 1st June. Following suggestions in the media, this was confirmed in the Prime Minister's address on Sunday evening.

At present, schools are still receiving updates from the Local Authority and are awaiting more details from the Department for Education later this week about what this will involve for pupils, parents, staff and the wider community.

As soon as a decision is made regarding reopening school, this will be shared with you at the earliest opportunity.

I realise that this is an unsettling time for children and their families but know that we will be working hard to ensure the safety and welfare of your children and our staff on our return to school once decided.

In the meantime, continue with the home learning provided and keep safe and well.

Yours sincerely

P Dungworth
