Dear Parent/Carer,

During the last school closure due to COVID those children in receipt of Free School Meals, continued to receive weekly food vouchers that could be spent at local super markets.

This is not to be confused with the Universal Free School Meals that Reception class to Year 2 receive, it is only the parents who made an application to the council for Free School Meals.

We hope that it won't be the case but should school need to close classes the Government has indicated that school's will continue to receive support for those children entitled to Free School Meals.

We have no idea what form this will take but we are encouraging any families who may now be entitled, due to changes in circumstances, to apply for Free School Meals as your child may also be entitled to other support. An application form is attached with this letter.

If you require any further assistance please contact the school office.

Yours sincerely,

Mrs P Dungworth.
