Schools are working hard with safety measures in place so that children can stay in school where they thrive in education and with their friends.

Please make sure you're following the guidance in place. It is vital that you do not send your child to school if they have any of the symptoms of COVID-19.

👉 new and continuous cough

👉 high temperature

👉 loss of taste and smell

If your child has been isolating at home it is important that they only return to school when they have been without a fever / temperature for 48 hours 📌

The cough and changes to taste and smell can continue after the infection has gone.

If your child has symptoms of COVID-19 they should not attend school and you should organise a test for them. Your whole household will need to isolate at home till the results of the test are known.

Face Masks

Thank you all for your cooperation in wearing a face covering and keeping each other safe whilst queuing for school and on the school grounds. Thank you also to those parents/ carers who have notified school of their exemption.

NO SMOKING

I respectfully ask that you follow the school's Smoke Free Policy and do not smoke outside the school gates especially when waiting to collect / drop off pupils.

COVID REMOTE LEARNING FOR CHILDREN

If your child's class has to close or your child is isolating for other reasons, one of the platforms we will use to continue teaching and to maintain contact with the class teacher is Microsoft Teams. Thank you to all of you who managed to join the practice Teams Lessons.

Parents should be aware that if pupils are at home due to isolation but are fit and well they **MUST** complete the work set by their class teacher. We appreciate, that for some families' technology makes this more difficult and work packs can be sent home. If you do not inform school of why work is not being completed this could result in an **unauthorized absence**.

Y6 Viking Day

On Friday 16th October , Year 6 were visited by Wayland: a visitor from Viking times. He taught us all about Viking life and how these people were more than just fighters. He amazed us with the ingenuity that Viking people showed in their inventive solutions to all sorts of problems. Our Year 6 children were amazed by all of the interesting artefacts that Wayland brought into school, most of which were hand made by Wayland himself or his Viking friends.

On Friday 16th October we all watched Year 2 present an amusing assembly about the day that dinosaurs were spotted right here in Sacred Heart Primary school! Please take a look download the following Youtube link <https://youtu.be/2eW4MgwTNgo>

BRIGHTER WORLD

Thank you so much for your generous donations of tins/pasta/sauces etc for our Harvest. These were greatly received by Angie's Angels who will distribute to local families in need. Take a look at their facebook page <https://www.facebook.com/groups/987871367991380/?ref=bookmarks>

Unfortunately, due to the current restrictions in place, St Cuthbert's RC High School will be hosting a Virtual Open Event in place of our traditional Open Evening. This has been launched on our school website (www.scrchs.net) and we look forward to showing all Year 5/Year 6 students and their parents/carers what makes our school so special. If you have any questions, please do not hesitate to contact me. Mr M Lockett, Assistant Headteacher Transition/Head of Year 7, St Cuthbert's RC High School

Cardinal Langley RC High school

Normally, we would have welcomed you to our open evening in the summer term but this was not possible this year, unfortunately. We have, therefore, produced the following resources that are designed to give children, parents and carers a taste of what our school community and facilities have to offer and to help you as a family come to the right decision about your child's next steps into high school.

As we are not able to have our usual open evening this year, we have uploaded the following information to our website at <https://www.clrchs.co.uk/school-information/open-evening-2020/>

- Welcome video which includes information about the school, a virtual tour and the opportunity to hear from some of our current students
- The school prospectus for Year 7 admission in 2021 which includes detailed information about what the school has to offer as well as an overview of the topics and subjects available
- Details of the application process for Year 7 entry in 2021

SACRED HEART PARISH

OCTOBER THE MONTH OF THE HOLY ROSARY

We are delighted that Father Francis has been so committed to ensuring that the children in our Year Four class can now safely receive the Sacrament of First Holy Communion. Families have now been allocated a Saturday noon Mass during October when their child's celebration will take place. Family numbers will be strictly limited and safety procedures in place. Please keep these children in your prayers.

Congratulations to Erin, Cailyn, Faith Molly, Vanessa, Ella, Freya, Millie, Luke and Wiktoria who have now received the Sacrament of First Holy Communion. We would love to see pictures of your celebration, please send them via Class Dojo or to the school office e-mail.

On Friday 6th November we will celebrate in school with a special party for all of the children in Year 4 including a class assembly, which, we will share with parents electronically.

Wow well done Y4 who achieved 100% attendance for the week beginning 5th October – they had a class vote and have chosen snacks and a film which they all enjoyed on Friday 16th October.

This week's statement to live by is **'I listen to what you say. I show I am listening to you.'**

Jesus, Peter, James and John went up a mountain to pray. While they were there they saw Jesus talking to two men called Elijah and Moses.

Jesus looked absolutely radiant.

He looked wonderful.

Peter said to Jesus, "This is a wonderful place to be. Let's put up tents".

Peter hadn't finished speaking when everywhere clouded over and became dark. Then they all heard a voice from the cloud saying,

"This is my Son, the chosen one.

Listen to him."

The Gospel of the Lord.

Praise to you, Lord Jesus Christ.

PLEASE DON'T FORGET TO INFORM THE OFFICE IF YOU HAVE CHANGED YOUR MOBILE NUMBER/HOME ADDRESS OR EMAIL SO WE CAN KEEP IN TOUCH.

Please also inform the office if you **DO NOT** wish for your child to be included in any of our social media posts
Please email any changes to office@sacredheartc.rochdale.sch.uk

SCHOOL FAMILY AND INDIVIDUAL PHOTOGRAPHS

These will be available to order on line from Horizon – we will send you the details when we receive them. You will have the option to have them delivered to your home (at an extra cost) or to the school address. They will be quarantined before sending home.

Have A Go Skills

Respond to all feedback, reflect on your learning, don't worry if things go wrong, have a growth-mindset, make every piece of learning better than the last.

REMOTE LEARNING

If your child's bubble has to close, it is expected that children will engage in daily remote learning tasks. Ideally, children should join their morning class welcome meeting via Microsoft Teams and then complete the work set in their electronic workbooks and Dojo. If you are unable to access either of these, then children should complete their work packs. School must be reassured that all children are safe and well and endeavouring to complete work and may therefore contact you. If your child is unable to access work for the day due to illness or for other reasons you MUST follow the normal procedure and contact the school office.

To access TEAMS you need to login to Teams using your child's school email and password.

To do this google outlook365 and sign in. Sign in to emails using your child's email address and password . Once in emails, click waffle icon (top right of screen) and click Teams icon

School Closes on Friday 23rd October and re-opens after half term on Monday 2nd November
Take care and stay safe.
