RC Primary**

Dear Parents / Carers,

To encourage our children to read the fantastic range of new books in our newly refurbished school library, we will be rewarding children for reading at home.

This year, the children will each be given a passport which they will keep in school. When they have finished reading a book they will tell their teacher who will let them tick off a step in their 'reading journey'.

When they have completed one of the seven 'journeys' (and the first one takes 6 books) to reach New York, we will stamp their passport, move their position on our class Global Readers display and celebrate their success in Achievement Assembly.

Once they have completed their whole Global Reading Challenge, and read 66 books, they will collect a certificate and a special badge which they can wear with pride!

We are determined to increase the number of reading miles that our children journey along. With your help, we know that we can help them become lifelong readers.

Thank you for your continued support.

Yours Faithfully,  
Mr Golding  
Assistant Headteacher
