Dear Parents / Carers,

I am writing on behalf of our children as many have asked how we can help the children and families in the Ukraine who are suffering and in danger as a result of the escalating conflict. As you will already be aware, many children are at risk, and thousands of families have been forced to flee for safety.

During this Holy season of Lent, we pray for peace for all children everywhere who are affected by war. One of the central lessons of the cross is compassion and we are called to share our time and resources tending to people in need.

Our Pupil Chaplains are therefore, asking for your support in collecting the following items which will be sent to the Ukraine:

Children's clothing such as underwear, socks, gloves, hats, raincoats

Warm clean blankets

Thermal underwear

Nappies

Wet wipes

Baby wipes

Ladies sanitary products

Toothbrushes and toothpaste

Basic toiletries such as soap etc.

Basic medical/ first aid supplies

Please send any donations to school and our Ukrainian parents will support us to collect the items and ensure that they reach those families in need.

Thank you for your support
